

Veteran's Photographic Display Project

The Emmaus Historical Society is currently sponsoring an ongoing project of preserving the history of Emmaus veterans for future generations. If you have an original photograph of any Emmaus area veteran in military uniform, and are willing to donate or loan it to the Emmaus Historical Society, contact the Society at 610-966-6591 and leave a message, email us at emmaushist@ptd.net or go to our web page at www.emmaus-historic.org for more information. All photographs are handled with professional care and loaned photographs will be returned quickly and unharmed.

Photographs of all veterans who lived in Emmaus when they entered the service are eligible for this project, from the period of the American Civil War, to those currently serving around the world in the Armed Forces of today. The goal of this project is to assemble a comprehensive collection of photographs, along with a general service record, for as many Emmaus area veterans as possible. This collection will then be made available to future generations for general research into this important part of our community's history. We will be preparing posters that will be on display at the Society for Patriotic Holidays and special Community Events.

Veteran's Name: _____

Donor Name (If different from Veteran): _____

Donor Address: _____

Donor Phone: _____ Email: _____

Dates of Birth/Death (if applicable): _____

Place of Burial (If applicable) _____
